

Alliance Mixing Lids

1. Why does paint leak out of the chime after I have assembled my mixing lid on my can?

The mixing lid was not properly assembled to the can, remove the can and re-assemble the mixing lid be sure that all four clips have properly engaged the can chime.

2. I have a missing gear adaptor. How do I order replacements?

Please contact Dedoes.

Gear Adaptor

3. I would like to replace a seal ring on my mixing lid. How do I order a replacement?

Please contact Dedoes.

Seal Ring

4. How many mixing lids are packaged in a carton?

Six mixing lids are packaged per carton, and they must be ordered in increments of six.

5. Can I use the same mixing lids for solvent & waterborne product?

No, these two applications require different mixing lids.

Please contact Dedoes for more information.

6. Does Dedoes carry a non-mixing lid or pour lid?

Yes, please reference the ClicSeal Plus Pour Lid section on this web site.

Crank Handle

7. Can I use the mixing lids without a Dedoes Mixing Machine?

Yes, Dedoes carries crank handles to manually mix the paint without the use of our machines.
